Dear Target Printing,

Thank you for submitting the printer's proofs of the new New Jersey Prescription Blank (NJPB) design and security measures.

The Division has reviewed and approved the following templates and forms:

- MD, Physician Assistant, Advanced Practice Nurse, and Healthcare Facility templates in the one-part, two-part and laser formats; and
- Certified Nurse Midwife, Eyewear, and Optometrist TPA templates in the one-part and two-part formats.

Please note that you may only produce the above specified templates and formats. If, in the future, you wish to produce additional formats, you must submit a printer's proof of the template and format for review and approval.

As a courtesy, please submit to the Division for our records a mocked up prescription pad sample, approximately 50-100 blanks, which includes the 15-DUI with sequential numbering. Please do not use real prescriber information.

Any submissions should be sent to one of the below addresses, depending upon your selected method of delivery:
